On August 25, 2020, the Court entered an order directing the Clerk of Court to attempt to locate pro bono counsel for the limited purpose of representing Plaintiff at the anticipated evidentiary hearing. Dkt. No. 25. The Court noted that "[d]ue to a scarcity of volunteer attorneys, a lengthy period of time may pass before counsel volunteers to represent Plaintiff." *Id.* at 4-5. The Court understands that pro bono counsel may be preparing to take on Plaintiff's case. If counsel does take on Plaintiff's case, counsel will reach out to Plaintiff directly. If and when pro bono counsel enters a notice of appearance, the Court expects to schedule a conference call regarding the evidentiary hearing, including Plaintiff's request that the evidentiary hearing be conducted telephonically.

The Clerk of Court is directed to terminate as moot the motion pending at Dkt. No. 28, which asked the Court to request pro bono counsel. The Court has already done so. The Clerk of Court is further directed to mail a copy of this order to Plaintiff by first class and certified mail.

SO ORDERED.
